

STRING ORCHESTRA DISCLOSURE ADDENDUM

School Rented Instruments

Regular wear and tear of school-owned instruments is covered by yearly instrument rental fees. On occasion, however, strings will break on the instrument due to misuse/abuse. There are several reasons that this happens, including the instrument falling, or a student trying to tighten a string too far.

The price of strings runs approximately \$15 to as much as \$80, depending on the string and the instrument. In order to help with the cost of strings, I will be asking for the following fines when I need to replace a string:

Violin E, Violin A, Viola A, Viola D, Cello A ---- \$8

Violin D, Violin G, Viola G, Viola C, Cello D, Cello G, Bass G ---- \$15

Cello C, Bass D, Bass A, Bass E ---- \$20
